Citizenship: United Kingdom

Wolfson College
University of Oxford
Linton Road
Oxford, OX2 6UD
United Kingdom

EDUCATION

- **University of Oxford** Oxfordshire, UK
DPhil in Economics, with full scholarship.
Oct 2024 - Oct 2027
Primary Research Interests: Development Economics, Economic History, Political Economy.
Secondary Research Interests: Applied Econometrics, Machine Learning.
 - **University of Oxford** Oxfordshire, UK
MSc in Economic & Social History; with full scholarship.
Oct 2023 - Aug 2024
 - **University of Cambridge** Cambridgeshire, UK
MPhil in Economics; with full scholarship.
Sep 2020 - Aug 2021
 - **University of Exeter** Devon, UK
BSc (Hons) in Economics
Sep 2016 - Jun 2019
18/20 “Firsts”; 3/3 annual Dean’s/Departmental commendations.

SKILLS SUMMARY

Languages:	English (native), Pashto (native), Dari, Urdu and Hindi.
Methods:	Econometrics, Impact Evaluations, Machine Learning, Natural Language Processing, Agent-based Dynamic Microsimulation Modelling.
Programming:	Stata, R, Python, Julia, SAS (E-Guide, Studio, E-Miner), SQL, Java.
Modelling, Visualisation & Tools:	AnyLogic, QGIS, Mathematica, Excel, Word and PowerPoint.
Documentation:	LaTeX, Overleaf and R Markdown.

WORK-IN-PROGRESS

- The Game of Thorns: Empirically Analysing the Impact of Opium Cultivation on Terrorism within Afghanistan 1994–2017: with Dr Ahmad Zia Wahdat.

PRESENTATIONS

- **Oxford Graduate Seminar in Economic and Social History, Nuffield College (Nov 2025)**: Presented DPhil Chapter 1 research; received feedback from faculty and graduate students.
 - **32nd Annual Graduate Workshop, Nuffield College (Apr 2024)**: Presented MSc dissertation research; audience included Professors Sheilagh Ogilvie and Joel Mokyr (joint 2025 Nobel laureate in Economics) and incorporated their feedback into the final dissertation.

EXPERIENCE

- **Data for Afghanistan** Remote
Director of Research
Collaborating with **Dr Ahmad Zia Wahdat** to compile datasets and visualisations on Afghanistan for empirical research (<https://dataforafghanistan.org/posts>). **Feb 2025 - Present**
 - **UK Civil Service - Department for Work and Pensions** London, UK
Fast Stream Economist Post-DTA (SEO-equivalent)
Post 1: Contract Management & Partner Delivery Division (Finance Group) **Sep 2021 - Sep 2023**
 - * Led two employment programme impact evaluations worth £1 billion using Propensity Score Matching on billions of observations of HMRC/DWP microdata, line managing a team of analysts.

Statistician, with results informing ministerial policy decisions.

- * Conducted real-time analyses using SAS and SQL, delivering accurate responses to ministerial briefings, Freedom of Information requests, and Parliamentary Questions under tight deadlines.

- **Post 2: Working Age Modelling and Forecasting Division (Policy Group)**

- * Contributed to the development, validation and successful launch of a department-critical agent-based dynamic microsimulation model in AnyLogic/Java covering ≈6 million Universal Credit claimants, integrating machine learning-derived model inputs and securing stakeholder approval for outputs.
- * Applied advanced SAS programming (Enterprise Miner & Studio) to merge DWP datasets, optimising complex variable interactions and achieving significant runtime efficiency.

- **Grade Manager for DWP Economist Placement Students (Aug 2022 - Sep 2023)**

- * As one of three Grade Managers, led end-to-end recruitment and assessment of placement economists across the Government Economic Service, coordinating with Chief Economists and HR whilst overseeing sifting, logistics, and assessment moderation.
- * Provided pastoral and professional support to placement economists, coaching them through technical assessments and mock interviews in economic theory, introducing structured exit surveys, and adapting communication to diverse audiences, from senior leadership to volunteers and across technical and non-technical colleagues.

- **University of Exeter**

Devon, UK

Research Assistant - Department of Economics (Internship)

May 2019 - June 2019

- Assisted Dr Surajeet Chakravarty with experimental design and supported a postgraduate student in data collection. Also developed a thesis proposal on British Afghan cultural identity.

EXTRA-CURRICULAR ACTIVITIES

- **upReach:** Selected for the upReach professional development programme (2016-2019), earning the 'Gold Award.'
- **Society for Professional Economists:** Member between 2022-25.
- **Economic History Society:** Active member.
- **Oxford Research Groups:** Affiliated with Economic History, CSAE, and Political Economy; seminar attendee and occasional presenter.
